The '1/4 page' adverts are for local businesses and we guarantee that they are always printed. This often results in a 'waiting list'. To overcome this we provide 'mini' and 'maxi' adverts that we use as 'fillers' for the text pages and do not guarantee their inclusion due to restrictions on the number of pages we can produce. Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

It is my sad duty to report the sudden and sad death of David Moyes, one of the doormen of the Social Club.

His smile and cheery greeting will be sorely missed by all of us.

On behalf of all the members and staff at the Club I would like to offer sincere condolences to David's family.

Bar Hill Conservatives

Dear Electors,

Many thanks to all of you who gave me such great support in the recent elections. I really enjoyed meeting with so many people. Thank you for discussing with me all your concerns, which I will certainly pass on to either the Parish Council or the Residents' Association. Although some said to me "What's the point in voting?", I believe that this is your opportunity of having a say in decisions that are taken for Bar Hill and Oakington. Thank you.

Bunty Waters

Dear Editor,

Again this month we have had to put up with children (approx. nine or ten year olds) dragging all sorts of rubbish to make a camp (Tesco trolleys being the main offender) and throwing glass under passing car wheels. The area concerned is just past the bus shelter between Appletrees and The Spinney in the woods next to the ring road. It took four trips to the tip last time to clear it all. Apart from the danger to wild life with all the glass that has been left, other children may come through that way. This is becoming a regular thing as we had to clear this up last year as well.

Name and address withheld by the Editor

Dear Editor,

When canvassing for the recently held District Council elections many issues were raised which are of deep concern to the people of the Village.

After the development of the Tesco Extra their contractors left the entrance to the Village in a very poor state, particularly the footpaths and verges, when re-aligning the roundabout. The roads were left in a mess and have never been re-instated to a manner which befits the Village. The environmental pollution issues from the Tesco Extra, which the people of Gladeside and Robin Close in particular have to suffer, are noise, pollution and rubbish. What needs to be done at a minimum is a bank to be constructed to reduce the noise and rubbish pollution similar to the mound outside the School. Maybe Tesco Extra with their goodwill would like to address this problem?

Another eyesore is the burnt out former Information Centre/Barber's shop which will soon be demolished and hopefully developed to enhance the entrance to the village.

Finally, local people do not want the new settlement at Oakington and Longstanton. This was a mandate I fought on and am still fighting. The Conservative County Council made little effort to stop this development and have steered this proposal through as the only option, for this massive development which could be 10,000 houses in total. Bar Hill has just settled down after 30 years of difficulties.

WE DO NOT WANT ANOTHER SETTLEMENT on our doorstep, particularly with 'Cambourne' being developed, which is prone to all the problems of traffic congestion, which can only get worse. This is having a knock on effect with all the surrounding communities.

We must try to stop this development, sense must prevail.

Tom Flanagan, 780571

You shall not take the name of the LORD in vain - Exodus 20.7

As we approach the golden jubilee of the reign of Her Majesty Queen Elizabeth the Second, she has made it clear that she intends to remain faithful to the vows she made before God at her coronation. This faithfulness is to be highly commended in an age where the breaking of vows (of marriage, of baptism, of being godparents etc.) is commonplace.

All of these vows are made in the sight of God, standing as a sort of guarantor, ensuring that we keep to our promises. It is a dangerous thing to break vows made in God's sight - covered indeed by the commandment quoted above - 'you shall not take the name of the LORD in vain, for the LORD will not acquit anyone who wrongfully uses his name.' God takes his name seriously and therefore is not about to let it be misused.

It is so good, therefore to see her Majesty taking her vows seriously, even if it does mean that the Prince of Wales will have to wait his turn.

She promised to govern the United Kingdom (and other places) with respect for their various laws and customs, to execute law and justice, in mercy, throughout her realms and to maintain the true profession of the Gospel within the United Kingdom of Great Britain and Northern Ireland. These last words seem curiously out of place in our pluralist, politically correct world. Many of us would rather have a monarch who promises to be a 'defender of faiths' rather than one that vows to maintain the true profession of the Gospel. But that is the vow she took and I pray she will remain true to her vow. That is why she was presented with a Bible, 'the most valuable thing that this world affords.' May God bless her richly.

Skateboard Park

Over the summer period we will be installing a drainage system at the Park which will hopefully eliminate some of the surface water/mud for next winter. This will be taking place towards the end of the summer and should not disrupt the enjoyment of the youngsters too much. Also we will be installing some shelters over the same period.

Childrens' Play Area

Due to the all weather sports pitch being installed over the summer months some of the children's play equipment will have to be moved around a little. Hopefully there will be the minimum amount of disruption and this should all be in place before the summer holidays start.

Benches

We have now had installed three new benches in the village; two replacements on the cycle path to Dry Drayton and on the main spine path near Pheasant Rise. We have also had installed a new bench near the red roundabout, just past Pheasant Rise.

Parish Meetings

The next Parish Council meeting will be held on Thursday 20th June at 7.00pm. The public is very welcome to attend the meeting.

Art Week at Bar Hill Primary School

Art week will be held on Thu. 18th of July, until Wed. 24th of July. It is a week where the focus will be primarily on art and art history. It will include many activities, including painting and 3D work.

We also have some visitors, professional artists who will work with the children to create a piece that will remain as part of the School for many years. We are hoping to create two murals, one working in the style of Vincent Van Gogh, and another in the style of L. S. Lowry. There will also be a wall hanging made of felt in the style of Georgia O'Keefe.

We realise that we will be using a large range of pots and brushes. I would like to ask if you have any spare margarine tubs, paintbrushes (any size) or newspapers that you could donate for art week. We would be very grateful.

Thank you

To the Residents of Bar Hill, Village Jubilee Service: Sunday 9th June & Flower Festival

I am writing to invite you to the Village Jubilee Service on Sunday June 9th to celebrate the Queen's Golden Jubilee. The service will form an important part of our community celebrations to mark this wonderful national occasion.

The service will begin at 10.00am and will last about an hour and a quarter. We are delighted that a number of people of our community will be there to represent their organisation or institution. It promises, therefore, to be a real village event. The Uniformed Organisations will parade before the service and light refreshments will be served in the Octagon afterwards.

You will be pleased to know that over the weekend a Flower Festival will be held in the Church with contributions from a significant number of village groups. The display will be in Church on the day of the Jubilee Service.

We hope that you can be with us for what promises to be a splendid and memorable occasion in the life of our community.

With my prayers and sincere regards,
Reverend Gary Renison

Dangerous parking

Inconsiderate drivers in Bar Hill are being warned that they could be putting the lives of others at risk. Community Beat Manager, PC Kevin Misik said there have been instances where parking

on paths and verges has made some roadways so narrow that fire engines and ambulances would find it almost impossible to get through to the village centre. He went on to say "I appreciate that parking is at a premium here but people must be considerate when parking their cars. If things don't improve, we'll be looking at issuing parking tickets, which carry a £30 fine".

Proof of age Scheme

Do you have a young person in your family who is between 16-18 years old? If so, they can apply through their school for a free card which proves their age. If the young person is no longer in education, he/she can still apply by completing an application form.

The scheme is run by Cambridgeshire Trading Standards Dept, in partnership with other agencies. Its aim is to assist retailers in ensuring that certain goods are not sold to people who are too young to make those purchases. If you would like more information or an application form, then contact Trading Standards on **0845 3030666**.

E-Mail & Letter Scams

We are aware of a number of scams whereby e-mails or letters have been received, sometimes from abroad, that induce you - by promises of financial reward - to make contact. The intention is to obtain your banking details and then attempt to extract money from the account. If you receive an e-mail of this nature, we would strongly advise you not to enter into any correspondence with the sender, under any circumstances.

Dear Residents,

I have been the Community Beat Officer (or 'manager' to give me my new title) for about 8 months now and have not, as yet, submitted an article to the Bar Hill News. This is mostly due to the fact that I am no fan of sitting in the office thinking of things to write and would much rather be out and about.

However, there are two things that cause me to write this article.

1. Parking in the Village
2. A police surgery

According to the 1991 census 4407 people live in Bar Hill in 1734 houses. 935 household have one car and 644 have 2. This is where the problem starts. I understand the difficulties of where to park but my main concern is the free passage of traffic through the Village, particularly emergency vehicles. I have already had to place notices on 30 vehicles in the Village warning them with regard to their parking and if there is no improvement in the situation **fixed penalty tickets will be issued**. Please think about where you park and leave the roads in the Village usable for everyone.

The second point is that I will be starting a Police surgery on the 6th June at the Parish Council offices (Portacabin in the Village Hall car park) between 1pm and 3pm. If you have any questions or queries please come along and ask me and I will try to help.

Home Security

· All external doors should have two good locks with three strong hinges

· A security chain should be fitted and used

· Glass panels beside a door can be a risk, but are safer on the hinged side of the door. If you have a glass panel/door, and are to be away from home, always get someone to pick up your, very visible, post

· Easy to use window locks should be fitted and used

· Be sure sliding patio doors can't be lifted off their rails

· Check wooden frames are not rotten or the putty dried out

· Ensure garage and shed doors are securely locked.

Cat Flaps

Do you have a cat flap? There have been a few reports recently whereby offenders have reached into a cat flap either to open a door, or to steal keys which were within reach, in order to open a door or steal a vehicle. If you have a cat flap - make sure keys, and other locking mechanisms used, are out of reach should anyone put their hand through. If possible it is advisable to lock or bolt the cat flap when it is not in use!

Please remember if you are not part of a Neighbourhood Watch Scheme I am very willing to help you to set one up in your area.

Sunshine Pre-School & Sunbeams

With the introduction of the new Early Learning Goals we feel it is particularly important that the children have the resources to learn through PLAY. We cover all the goals, Language/Literacy, Maths, Personal & Social, Knowledge & Understanding of the World, Creative and Physical. These are catered for by a wide range of activities incorporating sand and water, construction, painting, crafts and also very importantly with today's growing emphasis on I.T. in education, with the use of a PC. The children have a varied choice of software that includes number and matching games, sorting and language and literacy, all of which aid the learning process.

We have a well-equipped outdoor area, with climbing, balancing and ride on toys all of which assist with physical development. There is a playhouse where role-play can take place; this allows their imagination and creative skills to come into their own.

We have a break for milk and fruit during each session. Please feel free to

We have dedicated staff who are always on hand to offer support, help and advice and answer any questions you may have. They all have the best interests of your child at heart when it comes to encouraging the learning process. If you think your child would enjoy some sessions in our setting please feel free to drop in and see us - don't forget to bring your child!

Welcome to The Bar Hill Pre-School Playgroup.

You will find us in the Village Hall Centre on the Village Green, which can easily be reached by footpath or from the perimeter road via The Spinney.

The playgroup is a non profit making, community playgroup. We encourage parental involvement and the playgroup is run by a volunteer parent committee. There is the opportunity to "parent help" in some sessions. This not only allows you to be a part of playgroup life but also substantially reduces your fees.

The aim of our community playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**, which provides the educational setting required by OFSTED. Our friendly staff team – Sonya, Julie and Sylvia run all of our sessions.

Session times: -

Mon, Wed & Thu. 9.15 - 11.45 am
Tue. 'Playtots' 9.30 - 11.00 am
Tue. 12.15 - 2.45 pm
Fri. 'Rising Fives' 9.15 - 12.45 am
(packed lunch to be provided by parents.)

Information

We pride ourselves on our warm and friendly atmosphere, which we believe helps children to feel comfortable and more able to develop their social skills. We have a wide range of equipment to encourage children to experiment with various types of play. This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and too many puzzles and games to mention!

Each session is well balanced, incorporating a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information

Technology through a series of topics that incorporate the use of all the equipment.

If you would like to call in and see what we offer, please do. The staff will be happy to see you. Our recent OFSTED inspection report is held at Playgroup and we would be glad to show it to you.

Playtots

This is run by Sonya on a Tuesday morning and is an excellent way for your tiny tots to get used to the idea of playgroup. The starting age is just **One Year old until Two and a half**. It is popular with both parents and childminders and really gives children the chance to enjoy playing and crafts. We want to give parents maximum time to enjoy playing with their children and to have a well-deserved break, so no tidying or clearing up duties. The playgroup takes care of that. Tea and Coffee is available for adults, and children are given a drink and a biscuit as part of the entrance fee. The other good news is that it is "pay on the day" so you don't lose out if you can't make it one week.

Come and see us, no need to book, just turn up on the day.

Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley on **780445** for more information.

We have a computer, Playstation, N64, TV, video, stereo, games tables, numerous craft activities, construction toys, games, numerous outdoor activities and lots more to stimulate your children's imaginations. Our recent themes have included Monsters inc, 100 years of Disney and Harry Potter.

We aim to provide support for working parents as well as welcoming children to join our Club for fun sessions. Parents may not realise that if they are eligible for Working Family Tax Credit, they can claim up to 70% of their childcare costs. During the holidays we are also able to take children from the surrounding area on a first come, first served basis.

We are governed by OFSTED, supported by The Care & Education Partnership and are members of Kids Club Network. Four members of staff have NVQs in Playwork, all staff are First Aid trained and are continuously updating their training.

If you would like more information or would like to visit us, please contact Patsie on 201079.

What's New

Congratulations to Debra, Dawn and Sarah for successfully completing their NVQ's.

A big thank you to everyone who has supported us in our bid to the National Lottery Community Fund, which we have just heard has been successful! If all goes well we should move into our new purpose built building along with The Sunshine Pre-School in September, ready for the new school year.

Sports and Social Club

As you may know, the AGM was held, and well attended, on 28th March. I am pleased to say that officers remain the same and a few fresh faces were elected to the committee. I would like to take this opportunity to thank all of the outgoing committee members for their hard work over the years.

June sees the start of the Jubilee celebrations, and at the Bar Hill Sports and Social Club there's no exception. In fact we're starting early. On Friday 31 May to mark the beginning of the long weekend, why not come up to the club and enjoy the lively sounds of Dream Street. Whether it's the 60's, 70's or today's music that you're into, there will be something to please everyone.

If you can't make the Friday night, then come and join us on our adults only disco in the village hall on Saturday 1st. It is from 8.00 pm until 11.30 pm.

A year has gone by since the last one, but needless to say, this one promises to be as good, if not better.

June 8th Village Fete Day

The Club's doors will, once again, be open to all, so if are not a member yet please visit the Club and see what we have to offer you.

You can swing and sing along with the Cambridge Jazz Band featuring Josie, Val and Dave between 2pm and 5pm, with Barry and the team serving local brews throughout the weekend, as the Club holds its Annual Beer Festival.

Finally, and due to popular demand, our opening times have been extended. Our hours now are 6pm to 11pm Monday to Thursday, open all day Friday, Saturday and Sunday. We will also now be open all day on Bank Holidays.

I look forward to seeing you all soon.

Table Tennis

Meets every Tuesday evening at the School Hall. If you would like to join in a fun and friendly evening of Table Tennis, please just come along.

Our new young players are now settling in well and are now getting lots of coaching and practice. Last issue I mentioned that three of the existing Juniors have been offered the opportunity to play with the intermediates, so **Nathan Dean, Mark Pollyn, and Tom Pollyn** will be 'trying out' at this new level. If they are comfortable, and are enjoying this new venture they will be welcome to continue. If not, then there will still be a place at Junior level for the boys.

We at last have a result in the Junior Singles Tournament. Congratulations to **Chris Ostler Winner**, and **Mark O'Toole Runner Up**. Apologies to the boys, but unfortunately the photos of them receiving their medals are missing. This will be remedied.

Don't forget, you can now find news from Bar Hill Table Tennis Club on the following website:

Cricket

The 1st Team has had a mixed start to the season. Firstly, they lost away to Witcham. Unfortunately, a good old fashioned batting collapse with only two players scoring double figures left Bar Hill trying to defend a paltry 71 all out. Witcham knocked off the required runs but not before Richard Page gave them a fright by taking 3 for 2 off three overs.

Next up were our old rivals Milton. Having lost the toss and being put into bat, Bar Hill made slow progress reaching 37 for 4 off the first sixteen overs. However Milton old boy Ian Bassar

bowling alike and posted a very competitive 233 for 4. Unfortunately Camden proved as effective with the ball as they were with the bat, skittling out Bar Hill for 109. The only Bar Hill response came from Dave Fletcher hitting a dogged 34.

Next came Cambridge Granta. Bar Hill set a competitive target of 154 thanks mainly to David Rush who scored 38 and Peter Howard who finished on 26. After losing three wickets early on Granta were always struggling and finally succumbed to 109 all out with Peter Howard cap-

ping an impressive match by taking 3-13.

The Under 14s haven't started their season yet but the good news is that we have enough players to

form a team albeit having to get some of the Under 12s to play for both teams. We could use some more Under 14s to avoid putting too much pressure on the Under 12s so if you know of anyone who's interested in playing contact one of the people listed below or use the on-line form on the Website

(www.barhillcricket.org.uk).

In contrast to the Under 14s, the Under 12s have already played two matches, winning their Preliminary Round Cup game against Granta Ladies Under 15s

and also their first League match versus Soham. Star of both matches was Cameron Scott who hit 41 not out against Granta and 89 not out against Soham. A measure of his Soham innings was that it was the first half-century scored for a Bar Hill Junior side.

entered the fray on his debut for Bar Hill. He proceeded to hit a wonderful 92 and only missed out on his century thanks to a very good catch by the Milton wicket-keeper. That innings helped Bar Hill to post 177 all out. Milton were always behind the required run-rate and thanks to some tight bowl-

Football

With the last Season now a fading memory, it is good to record that the BHFC team finished in mid table in the Cambs & District Sunday League Senior Division. Congratulations to all of the players involved and to team manager, Roy Parr.

Our annual presentation evening is being held shortly, where the last Season's efforts of players and supporters will be acknowledged.

Annual General Meeting

At the our recent AGM the following officers were elected:

Chairman - Alan Hewings
 Treasurer - Mervyn Pope
 Secretary - Neville Watson

Season 2002/3

It is our intention to run two teams again next Season. The Cambridge & District Sunday League have accepted our application for a reserve team to play in Division 4. Anyone interested in playing for BHFC, should contact any of the above officers or Roy Parr.

Groundsman - Job Vacancy

BHFC require the services of someone to maintain the football pitch on the Village Green. This mainly involves marking the pitch on the Friday or Saturday before home games.

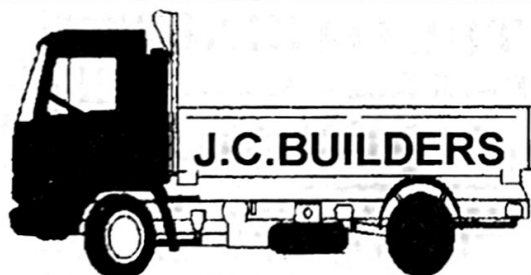

The role would suit someone who can spare 1 - 2 hours per week between September and May. If you are interested please contact Neville Watson on 781488.

Under 9s

The Under 9s non-league team have, over the winter, been playing in what started out to be a floodlit competition between Bar Hill, Comberton and Bluntisham. The respective managers were very keen to promote a friendly atmosphere amongst the players. The event culminated in a mixed team tournament on Sunday May 5th, where over 35 children played over an hour and a half of football. The afternoon was a great success, with all the boys mixing and playing for each other in great spirits. So good was it, a similar event is already planned for next year.

... Poppy was stretched out on the grass as I reached the summit (well top of the steps actually). Next to her sat Teresa, sketch pad in her lap and coloured pencils scattered by her side. The pad contained images of Sea Pink, Sea Mallow and a couple of other flowers I didn't know the names of, but whose beautifully captured images were imprisoned on those pages forever.

Through the sweat that was running into my eyes I could just make out Cromer with its pier, theatre and lifeboat station; a town that still retains a certain Victorian charm about it, and

whose pubs, sea food stalls and shops we would frequent tomorrow.

I turned and blinked furiously to clear the sweat from my eyes, trying to focus on the shape that had appeared in front of me. If the vision in front of me really was an angel then I must be in heaven (I didn't think the cliff steps were that high!). "Hello dad" it said. (The angel even knows my name). The last 'tear' of sweat raced to join the others on my chin. This was and wasn't an angel. Yes she is and no it wasn't. It was my daughter Nicola.

Poppy was acting like she had just

been plugged into the Mains and was leaping about all over the place, really pleased to see Nic.

The pencils were put back in their case and the sketch pad closed. Teresa led the way back. The landscape in front of me was now a deep orange as the sun was racing towards the horizon and sleep was figuring greatly in my thoughts. Could it be the sea air? Maybe it was the climb up the cliff steps. Certainly the only thing I wanted to see now was the inside of my eyelids and to keep

How very nice it is to be enjoying the warmer weather. With the Spring flowers having now finished, and the beautiful blossom now fading, we look forward to the summer flowers and those long summer evenings.

Holidays

Our holiday to the Lake District took place during the last week in April, when some 25 of us enjoyed the beauty of the hills and lakes. With good weather, good food and a comfortable hotel, we had a fine time. Our sincere thanks must be recorded to Tony our coach driver from Tony's Tours, who was so helpful, and to Ellen Collins for her organising skills.

Sickness

Unfortunately, only a day before we set off to the Lake District, one of our members, Jimmy James, was taken ill,

rushed to hospital, and instead of enjoying his holiday underwent major surgery.

After quite a long and worrying time in Intensive Care, I can now report that Jimmy is making a slow, but hopefully, steady improvement. We all send him our best wishes for a speedy recovery, and of course our love to Phyllis his wife, at this worrying time.

Olive Barber is still not very well and is also in our thoughts.

CamSight.

On Monday 29th April we had a visit and a talk by Julie Petrie-Symes, the Co-ordinator of the CamSight Rural Link Scheme, who was ably assisted by Joan Withers of Bar Hill. We were informed of the valuable work carried out by CamSight, a local charitable organisation, which has been helping the blind and the partially blind for over 90 years. Many of the hundreds of aids provided by the charity, for people with

seeing difficulties, were displayed, and a number of our members were helped and advised. Thank you Julie and Joan.

Raffle

Our raffle held on Mon. 13th May raised a total of £45, which has been donated to the CamSight charity. Many thanks to our members for their support, and especially to those who donated prizes.

Outings

Our May outing took place on Wed. 15th when, on a warm day with plenty of sunshine, we visited 'Blooms of Bressingham' in Norfolk. We were able to enjoy the beauties of the gardens, see 'The Dad's Army Collection', the various railway engines in the steam museum, several of the early fire engines, and have a ride on either of the two railways.

With a good restaurant, a gift shop and a large Garden Centre, our visit was well worth while.

.. From page 25
repeating the last letter of the alphabet
... zzzzz!

After breakfast we loaded ourselves into the car and drove to Cromer, parked on the Green above Cromer and walked along the path into town.

First stop was a sea food stall, where a good amount of products from the North Sea were consumed (lovely!) Next stop was a cup of tea. Then Poppy and I sat on the Church wall while Teresa and Nicola headed for the shops to get rid of the money they were carrying - probably too heavy for them.

Whilst sitting on the wall I noticed a number of seeds that had at one time become trapped or simply landed on the wall and, with the right conditions, had grown some flowers that were so fine and beautiful that it looked like only the world's best artist could have painted them. So delicate were they. Insects crawled, scurried and hid simply going about their business, watched by me. What do they say? "I'm just off

to get a bite to eat" or "I'm going to get some food for the family, I'll be back soon!" and if they do something wrong do they get told off or punished by the 'insect police'?

Teresa and Nicola came out of the shops under a mountain of bags. Poppy and I looked at each other knowing these were going to have to be carried back to the car. How else could they buy more? Mind, maybe something in one of the bags was for me.

I walked down the street with Poppy 'in tow' towards the car park on the cliffs, hardly being able to see where I was going when suddenly my inbuilt radar system took over and alerted me that a fishing tackle shop was nearby. I turned left and headed towards it.

In front of the said emporium I told Poppy 'You guard the bags, I'll be back in a minute'. As I entered the tackle shop a feeling came over me like my Christmases had been rolled into one and was happening right now.

One minute turned into two, three

into six, ten into twenty. I handed as many pounds over the counter from my wallet as minutes had ticked by. Carrying my bag slowly from the shop (so I could have a last look at the hooks, rods, spinners and nets etc.) I emerged into the bright sunshine. "Look what I've got, Poppy".

Oops - no Poppy, no parcels!
